REF: 83081

Height: 2.8 cm (1.1")

Width: 8 cm (3.1")

Depth: 2 cm (0.8")

Description

A small pair of blacked brass Binoculars with leather grips and fitting to one side for a strap.

These Binoculars would be equally useful in the field or opera house, with the size such that they can easily be slipped into a top pocket. Naturally, given their size, the magnification is not as strong as a larger pair but they are still useful for short distance. Early to mid 20th Century.

Closed size is given.
