Description

This printed Trade Flyer for the celebrated Catherine Street cabinet makers Morgan & Sanders is a rare survivor.

Brawer illustrates a similar but slightly earlier flyer in *British Campaign Furniture*. We can date this one to after 1805 due to the illustration of their Patent Trafalgar Sideboard and Dining Table. They also describe it in detail to the left of the flyer. A similar example is in the British Museum's Banks Trade Card Collection. The address of 16 & 17 Catherine Street dates this flyer to before 1816 when they bought Butler's remaining stock and expanded to include his premises. The paper is watermarked 1807.
