Height: 16.5 cm (6.5")

Width: 12 cm (4.7")

Depth: 2 cm (0.8")

Description

A large crocodile leather Cigar Case.

The sleeve case is made to expand in length to fit the cigar. Each sleeve is made from two pieces of leather stitched together with the further stitching to strengthen the mouth. The outer sleeve's mouth is bow shaped to make it easier to insert the interior sleeve.

A well made case to take long thin cigars, by an unknown maker. Early to mid 20th Century.
