Diameter: 6.22 cm (2.4")

Description

A cased Portable Glass.

The plain glass is housed in a very dark green card case that is stamped to the top 'A Thimble Full'.

Such a glass would have been useful for picnics or Field Sports and were commonly used either side of 1900. There is wear to the case with water marks, as to be expected, which can be seen in the photographs. The glass is in good condition. Early 20th Century.

The case size is given.
