Height: 27.5 cm (10.8") Width: 6.5 cm (2.6") Depth: 7 cm (2.8")

Sold

A large moulded glass Flask in Leather Case with a cup to either end. As can be seen, the flask is shaped to the top and bottom for the cups to fit neatly over either end, offering a degree of protection. The top is a screw cap and is cork lined, as to be expected. The cups have a worn gilt wash. The case has a belt strap with a loop to the top to keep it in place. The flask is a good size and a little unusual with the 2 cups. Early 20th Century.
