Height: 10.16 cm (4") Width: 6.98 cm (2.7") Depth: 1.9 cm (0.7")

Sold

A neat, small set of stainless steel Travel Cutlery in a pigskin leather case.

The 2 part, decorative handles of the cutlery fold to become the protective case for the knife and fork with the spoon sitting flush to handle. A bar to the end of the handles flips over to either lock the 2 parts closed or open, as needed.

The simple case and the cutlery are quite thin to easily fit into a pocket whilst travelling. The cutlery are marked 'Stainless Steel' to the knife and 'Made in Sheffield, England' to the spoon and fork. Circa 1930.

Case size is given.
