Cast Brass Travel Candlesticks

£395

REF: 83598

Height: 6.98 cm (2.7")

Diameter: 10.15 cm (4")

Description

A pair of cast brass Brighton Bun travel Candlesticks.

The candle sockets have a good shape with a flared lip and the dishes have been spun with three pairs of ring turnings for subtle decoration. The narrow diameter to take a candle suggests they date to the early 19th century.
