Sold

© Christopher Clarke Antiques

REF: 83418

Height: 7.62 cm (3")

Width: 12.05 cm (4.7")

Depth: 1 cm (0.4")

Description

A brass plated on steel Kit Bag Lock.

It has an internal lock with two keys as opposed to having a fitting to take a padlock, like many Kit Bag Locks. Such a lock would be useful to the traveler to provide extra security on a bag with two handles by uniting them as well allowing the user to fix their bag to railing or an overhead luggage rack.

This example is a little unusual for being brass plated on steel. Circa 1900.
