Description

A brass 4 draw Telescope by Ross of London with leather case.

The telescope has a black leather grip and the shade and eye piece retain their black paint. The eye piece has a slide cover. This telescope is engraved with the maker's name on the first draw with the serial number 78981 below. The case is well made with the top held in place by a short belt strap and the replaced shoulder strap. A good, medium to small sized telescope in excellent condition. Early 20th Century.

Closed size is given.
