Description

A pair of glass cologne bottles in a leather case.

Each bottle has a silver plated screw on cap and a small glass stopper. The stopper has a ridged edge by way of a grip. The bottles are a good tight fit to the red leather interior and separated by a dividing board. The leather hide case has a single tooled line which follows the edges of the case and 4 domed stud feet. Circa 1920.

Case size is given.
