Short Description

A watercolour on board by Karl Hagedorn of a seated soldier reading a paper.

There is not enough detail to tell the regiment of the sitter but his uniform suggests the period is the First World War. Hagedorn was a Lance Corporal in the Middlesex Regiment and the subject is likely to be a comrade of his. It is signed to the top right corner with his monogram and 19 for the date 1919.

Image Size is given.
