Short Description

A crocodile Vesta Case with silver engraving shield.

Crocodile leather in an unusual material for Vesta Cases but it works well. The case works in the same manner as a cigar case with an inner sleeve containing the matches sliding into an outer sleeve. The outer sleeve has a serrated strip to its base for striking.

The London hallmark is worn but looks to have the letter d for 1899. Its possible it may be an O which would give 1909. The maker's mark is E & Co. Circa 1899.

Please note that this cannot be shipped to some countries.
